

TEMPORARY ACCESS TO IMPERIAL COLLEGE NHS HEALTH CENTRE / SURGERY

It has become necessary to change the access route to the Health Centre from 6th July until mid August 2009.

Laing O'Rourke are planning to remove their site accommodation located above Watts Way (Princes Square). In order to carry out this work safely, it will be necessary to close the road below for both pedestrian and vehicular access.

The revised approach to the Health Centre will be via Princes Gate Mews. When visiting from Princes Square, the following routes are advised (as per the map):

- **From the North** - Approach via Ennismore Garden Mews;
- **From the South** - Approach via Princes Gate Mews;
- **Vehicle Access** - Both Ambulance access and vehicles to pick up/drop off patients will be via Princes Gate Mews. As there is a steep ramp from the "drop off" point to the Health Centre, Laing O'Rourke will provide staff for the purposes of assistance.

We apologise in advance for any inconvenience this work will cause. If you have any queries regarding this temporary arrangement, please do not hesitate to ring Arup Project Management on 07545 784 098.
