

Become a Community Link Worker Volunteer

Carers Network are a non-profit charity supporting over 5,300 unpaid informal carers.

We are looking for a Community Link Worker Volunteer to travel across three central London boroughs and develop partnerships with different organisations to raise awareness of the valuable work we do.

If you enjoy meeting new people, and consider yourself friendly and approachable we want to hear from you

Be part of a
friendly vibrant
team

Receive free
training and
support, and a
workplace
reference

Connect with new
people and
develop your
communication
skills

Give something
back to your
local community
